

Newsletter Monday 12th May

Dear Families,

I hope you have had a lovely two weeks and are enjoying the sunshine. With the warmer weather, please remember to send your child or young person to school with a sun hat each day and apply sun cream too. We are ensuring we keep everyone hydrated and will monitor temperatures to ensure pupils aren't outside too long when it's hot.

We have now said goodbye to Natalie and Denise is in post as our new front of house Receptionist. Please pop in and say hello if you haven't already.

We were really pleased with the new company that took the pupils' photos. Feedback from staff was overwhelmingly positive and we are really excited to see the final product. The proofs will be with you tomorrow look out for them coming home. Once you have your proof all you need to do is visit the Co Kids website and using your personal access code you can then place your order for the photographs required.

On **Thursday 8th May** we celebrated our 1st **Red Kite Celebrating Difference Day**. We danced, sang and had lots of fun and the school was vibrant with an array of colours. SENDsational Dance was a huge success with the pupils and we will look at having them in school again.

A final reminder and plea for your help and support with the Rotary Club **Kids Day out** on **Wednesday 11th June** at Wicksteed Park. We will be making a final decision at the end of this week if we can go ahead or need to cancel.

We hope that lots of families will be able to join us next week to dance, sing and make music for our **Big Sing Event** on Thursday 22nd May.

Have a great week everyone

Warmest wishes

Karen
