

Our

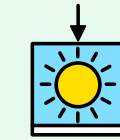

school

is

closed

today

Sometimes, the school needs to be closed

? a

for a day. This is a surprise. The teachers

+

?

and staff are staying home today. This is

okay. Closing the school keeps everyone safe

?

My routine is changing today. I will not

come to school or go to my classroom.

Today will be a Home Day instead of a

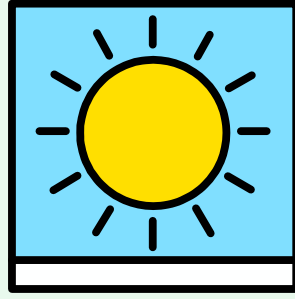

School Day.

I can stay home.
