

A visit to the dentist

Sometimes

I

need

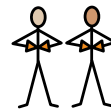

to go

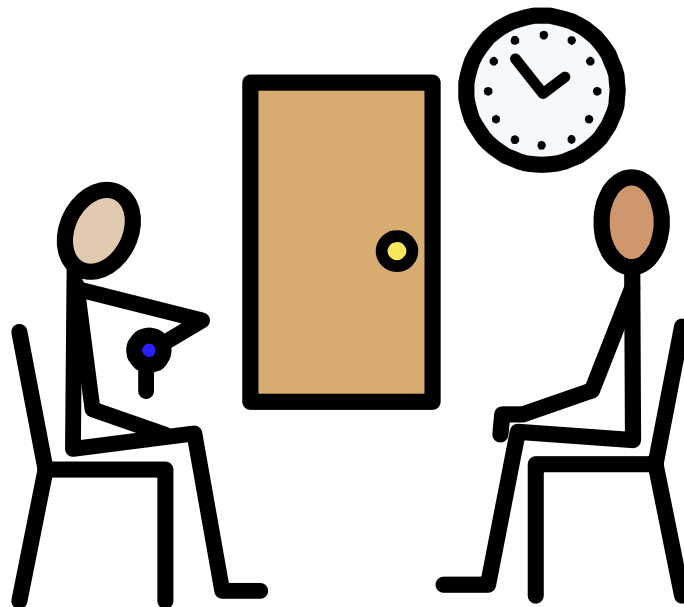

to the

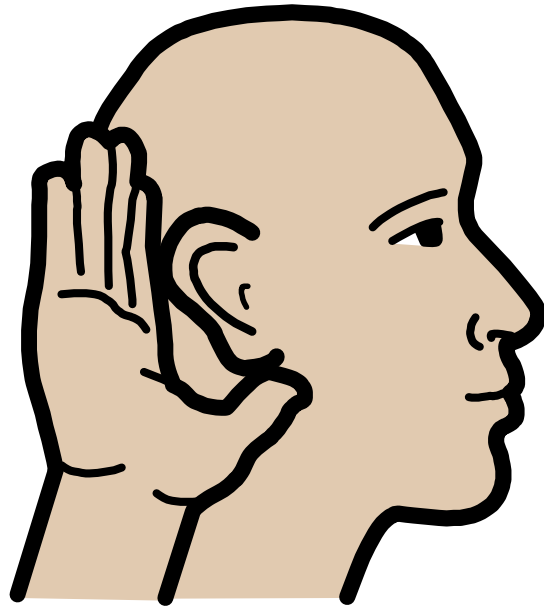

dentist.

The receptionist lets the dentist know we have arrived

I sit on a chair in the waiting area

I

wait

to

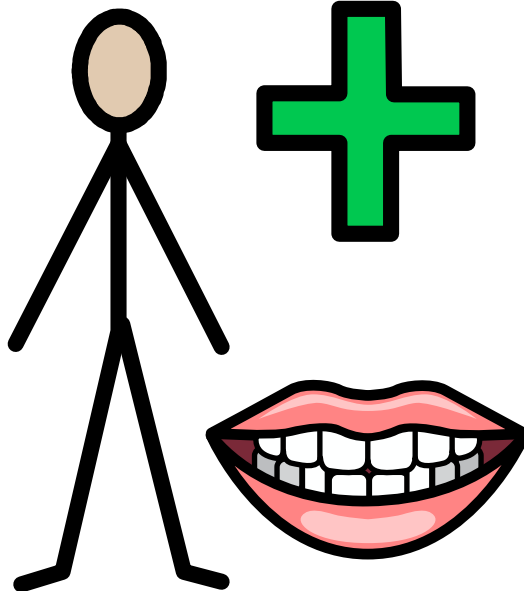

hear

my

name

I

walk

to

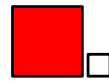

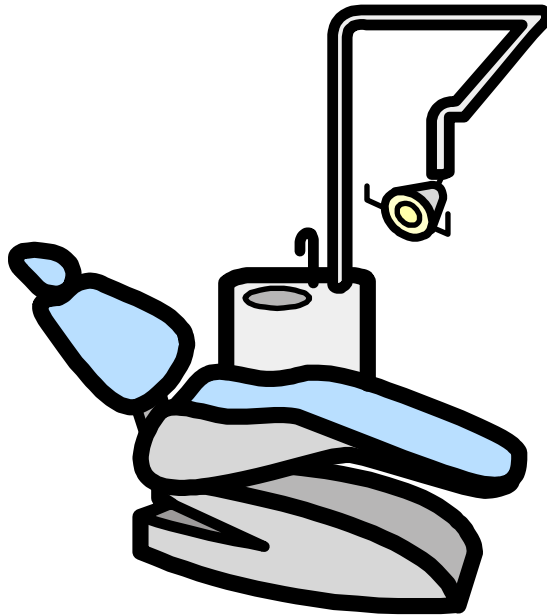

see

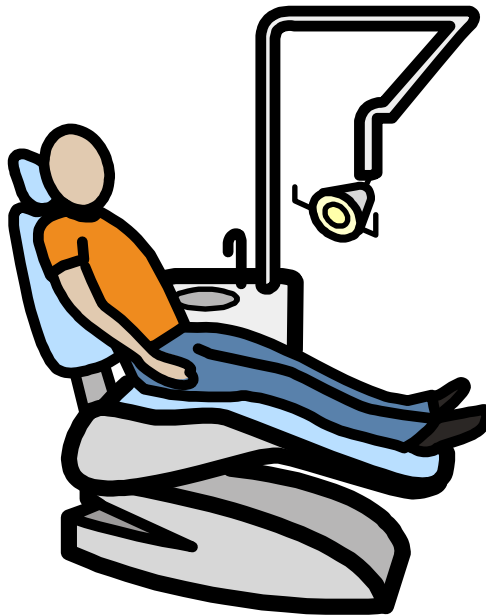

the

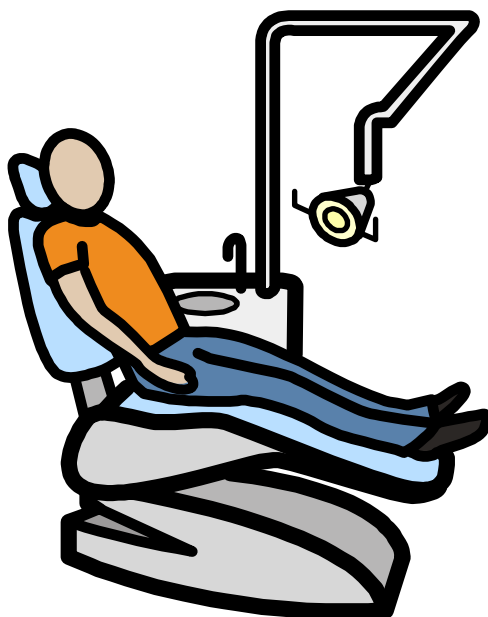

dentist

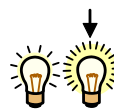

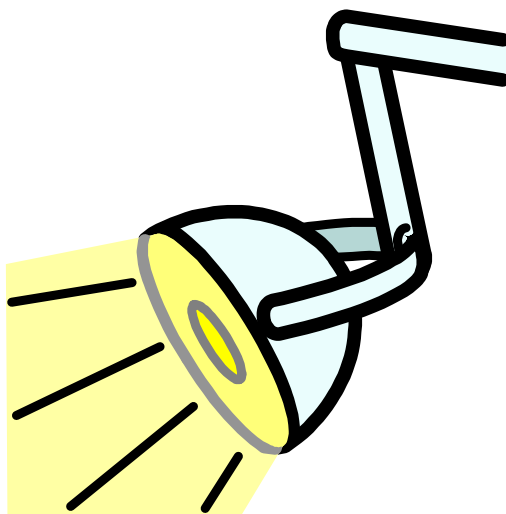

The dentist will ask me to sit in a big chair.

The chair is fun. It goes up and down.

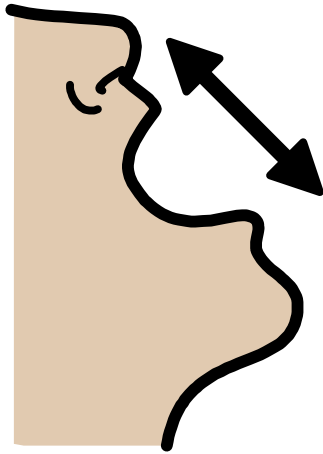

The dentist might ask me to wear an apron

The dentist will switch on a bright light.

If I don't like it I can close my eyes.

I

will

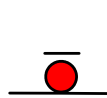

open mouth

&

and

keep

still

while

the

dentist

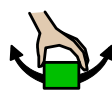

looks

inside.

The dentist will

use

tools

to

look at

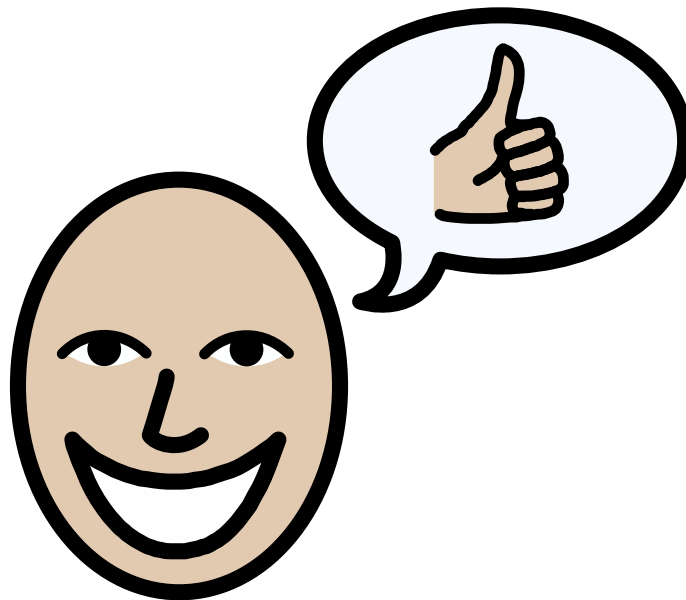

my

teeth.

It is ok.

I

might

get

a sticker.

Well done.
