

All About

Cutting

Nails

It is important to

cut

our

nails

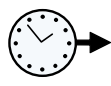

short.

A grown up

up

will

help

to

cut

my

nails.

It is important to

stay

very

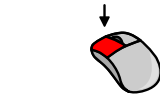

still.

The nail clippers

make

a clicking

sound.

This

is okay.

The nail clippers

might

tickle

my

nails.

This

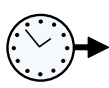

is okay.

The grown up

up

will

say

when

cutting

nails

is finished.

Cutting

nails

finished.

Well done.
