AMAZING NEWS!

We are very lucky to have local companies that want to support our school.

We are delighted to share that the company Smurfit Kappa, have agreed to fund our Colourscape Room. We are over the moon with this news. Our pupils will benefit greatly from having this resource in school. We are just awaiting installation dates to be confirmed now. We will look at having a grand opening event to launch this.

Young Voices

We are also really pleased to share that York, Ward and Rowlatt have also agreed to fund our t-shirts again this year for Young Voices.

Hello Yellow Day

On Thursday 10th October we celebrated World Mental Health Awareness day across the school with a focus on feeling happy. The pupils had lots of fun including taking part in a whole school Bubbleathon. We raised £46.50.

We raised £62.70 for our Jeans for Genes Day.

Careers Week

This week we are holding our first Careers Week of the year. The theme is Health and Beauty. Pupils in our Secondary and Post 16 classes will both experience and find out about a range of careers in this industry.

Have a great week everyone.

Best wishes

Karen
