DAY TO CREATE

26/06/2024

Dear Parents and Carers,

We are very excited to be running '**Day to Create**' on (Thursday 4th July), this is an event over one day that has been organised by Jason, Kim and Joe to share the joy of Music and the Arts across our school.

During the day all students will be taking part in Art in classes, Drum Painting with Jason and Dance with Bowie, all of which will be really exciting, creative and fun.

Drum painting is going to be a little messy, we have our forest school overalls and some painters overalls to use, which students will be wearing to cover/protect their clothes where possible, however there is a possibility paint will get on the students clothes. Please can I ask you to send students in **OLD CLOTHES & SHOES** (*that could get ruined by paint, the paint is washable but could still stain*) and pack them some clothes to then change into for the remainder of the day. We will be putting paint on the drums and allowing students to play them, which will create art on the paper underneath.

If there is any part of these events that you do not wish your child/young person to take part in, please let me know before the end of day Tuesday 2nd July.

Kind Regards

Jason Redhead
