

## RED KITE'S BIRD WATCH

17th May 2024

Dear Families,

I hope you are enjoying our first taste of some summer weather at long last, we are all hoping that it continues into May half term. We are really looking forward to welcoming you into classes for family learning next week. Your child/young person's class teacher will have shared the details of when their class activity is taking place.

We have started our GCSE exams this week for our Year 11 pupils and these will continue after the half term break too. You will see the posters displayed in the Reception area on the days they are taking place and on these days The Kettle will be closed to families.

On **Monday 20<sup>th</sup> May**, The Kettle will be closed in the morning due to a number of meetings taking place and needing extra rooms.

We have our 2<sup>nd</sup> **Big Sing** event next week on **Thursday 23<sup>rd</sup> May** which Jason has organised. We are hoping for a lovely day as this event is outside. We have had a good response so far from families that are able to attend. Please have a look at the songs that Jason has sent out so you can join in with us.

Just a reminder that we will let you into the grass area at the Woods end of school through the double gates. After the event please wait at your normal entrance into school and we will take pupils back to class first and then bring them out to you if you are taking your child/young person home straight after this event.

Also on **Thursday 23<sup>rd</sup> May** we have our next Disco led by our resident DJ Alfe. This will start with our Relaxed Disco at 3.30pm to 4.10pm followed by our Disco Party 4.30pm to 5.20pm. There will be a tuck shop available as usual. We hope you are able to come along and enjoy some music and a dance.

On Friday 24<sup>th</sup> May the Wolves class will be hosting a raffle in the Hall from 2-3pm. This is to raise money for Corby Mind Charity, as they have been focusing on ways we can support the community this term.

We have some great prizes, including Chapel Gym Memberships, Donations from Tesco, and many more.

Tickets cost £1 per number. If you would like to purchase a raffle ticket and cannot attend the Raffle, you can send your young person into school with the money you would like to donate for the raffle, and we will make note of the ticket numbers. If you win, we will send the prize home with your young person at the end of the day.

There has been great excitement around school this week with both staff and pupils. This is because we have had some chicks hatching. We had some eggs delivered in an incubator on Monday and so far have 7 little chicks. This has been a lovely experience for everyone.
