

RED KITE'S BIRD WATCH

3rd May 2024

Dear Families,

I hope you all had a positive and enjoyable Parents Evening this week. It was lovely to see you in school and we really enjoyed sharing your children and young people's achievements with you. I hope you got the chance to sample some delicious food too!

We have been invited by the Rotary Club to join their **Kids Day Out** event again this year on **Wednesday 12th June**. We really want all our children and young people to experience this. In order to be able to do this we need your support. Please let us know if can come along and support this event. We would welcome other family members too if you can't come yourselves. If we don't have enough support we will sadly have to make a decision that not all classes can attend.

This week some of our pupils participated in a football tournament at Maplefields school. The team were successful and won all 3 of their games! The scores were: 1st game – 3-0, 2nd – 5-4 and 3rd 1-0. Well done to the team and thank you to staff for organising.

We are busy making exciting plans for the new academic year. We are re-organising the school building and our current departments. Meadows will become our Primary Department and Woods our Secondary Department. The Lookout will remain as KS4 and 5.

We have had a few young people coming to school wearing Smart Watches. We ask that these are left at home. Any pupil arriving at school wearing a Smart Watch will be asked to leave this at Reception.
