Dear Families,

We are very excited to announce that this year, Red Kite will be holding our 2nd '**Big Sing**' event on Thursday 23rd May. The students are practising 6 songs that they will perform during the afternoon (*singing or playing musical instruments*) and we hope that you will be able to join us. We will share details of the songs with you so you can join in too! The event will take place on the school field and we have everything crossed for good weather. If not, please think festival vibes: wear wellies and bring a broolly! Students are welcome to come in wearing their own clothes on the day if they want to really get into the festival spirit.

During the event, families will be sat separately from the children but you are welcome to take your young person home with you once their performance has finished from the school gate. Students will need to go back to class with their teachers, students can then be collected from the gates. **No families are to take students directly from the field.**

Please arrive at school between 1:40pm - 1:50pm and wait by the gates onto the field where a member of staff will let you in between these times, students will start arriving on the field around 1:55pm. Once the performance has finished, we will ask that you leave through the same gate. If you have asked to take your young person/s home with you, please make your way to the normal collection point and class staff will bring your young person to you.

Please complete the attached slip and return to reception by **Monday 13th May**.

We hope to see lots of you there and have everything crossed for good weather!
