Dear Parents and Carers,

To inform you of some of the alternative provision that is available for post 16 plus education, on the 24<sup>th</sup> January, we will be hosting a Transition Event that will take place at Red Kite School between 2-4pm; you are invited to attend with your young person. There will be information and a number of post 16+ providers who will be able to inform you of the educational provision that they offer within the local area.

If you would like more information prior to the event, please find details of Northamptonshire's post 16 local offer by following:  
<https://www.northamptonshire.gov.uk/councilservices/children-families-education/SEND/local-offer/schools-and-education/Pages/default.aspx>  
(Once you have arrived at this page, please choose 16+ schools and colleges).

Bonnie and I will be available at the transition event to offer support in terms of entry requirements and what qualifications your young person might obtain during their time in KS4/5 (end of year 11 or year 13).

If you have any queries about how this may affect your young person or any other questions then please do not hesitate to contact me on [sally.rodriques@redkite.school](mailto:sally.rodriques@redkite.school) or by ringing the school.

Kind Regards

Sally Rodrigues
